

Pan Glo[®] Rack Cleaning

Ask us about our pan cleaning & recoating services!

Pan Glo offers cleaning services for bakery racks, saving your business time and expenses while ensuring a more sanitary environment for your products and your employees.

Efficient

Our proprietary cleaning process removes heavy greases and carbon from pan racks, an otherwise difficult and time-consuming project.

Convenient

In most cases, racks will be back in your bakery and good as new within a week.

Sanitary

Our process ensures that your baked products do not come into contact with unsightly and unhygienic carbon build-up on pan racks.
